Inspection will reveal a large lounge room, central kitchen with fully renovation and adjacent meals area, fully renovated family bathroom and a large rumpus room that suggests any number of possibilities in terms of use. The entire house would be warmed by hydronic heating system. Outside you'll delight in the covered alfresco area and large shed that could be a fantastic workshop or storage area. Located a short walk from the green spaces of Eildon Park the lucky purchaser will also be able to walk to Rowville Lakes Shopping Centre. The local area abounds with primary and secondary school options as well as nearby shopping options at Stud Park. With Eastlink less than ten minutes away commuters will enjoy the handy location as will those with an interest in the nearby Waterford Valley Golf Club.
